1.1 Brief History

Nommy's Cleaning Service was founded in 2026 by Nommy, a passionate entrepreneur with a strong background in domestic and commercial cleaning services. Recognising the growing demand for reliable, professional, and affordable cleaning solutions in the Durban area, Nommy established the business to fill a gap in the market for high-quality cleaning services that combine trustworthiness with exceptional attention to detail.

Starting as a small residential cleaning operation, the business quickly gained a reputation for thoroughness, reliability, and warm customer service. With a focus on building long-term relationships with clients, Nommy's Cleaning Service is positioned for steady growth and expansion into the broader KwaZulu-Natal region.

The company is committed to using environmentally friendly cleaning products and employing well-trained, vetted staff who take pride in their work. Nommy's Cleaning Service is a proud member of the local small business community and is registered with relevant South African small business development bodies.

1.2 Mission Statement

"To deliver exceptional cleaning services that create healthy, sparkling spaces for our clients through reliability, professionalism, and a personal touch because we believe a clean space is a happy space."

1.3 Vision Statement

"To become the most trusted and recommended cleaning service provider in Durban and KwaZulu-Natal, recognised for our commitment to quality, eco-friendly practices, and customer satisfaction that exceeds expectations every time."

1.4 Target Audience

- Homeowners seeking regular or one-off residential cleaning
- Renters and tenants requiring move-in/move-out cleaning
- Small to medium-sized businesses needing office and commercial cleaning
- Property managers and real estate agents preparing properties for sale or rental
- Landlords managing multiple rental units
- Event organisers requiring pre- and post-event cleaning
- Restaurants and hospitality businesses needing specialised cleaning
- Busy professionals and families who value their time and want a clean home without the hassle
- Elderly or disabled individuals requiring assistance with household cleaning

2. Business Goals and Objectives

2.1 Primary Goals

- Build a solid client base of at least 30 recurring residential and commercial clients within the first 6 months of operation
- Establish a strong online presence through social media (Facebook, Instagram) and a simple website to attract new customers
- Achieve profitability within the first 12 months of trading
- Expand services to include specialised cleaning (e.g., carpet deep-cleaning, window cleaning, post-construction cleaning) within 12 months
- Generate positive word-of-mouth referrals through exceptional service delivery
- Create employment opportunities for 3-5 staff members by Year 2

2.2 Key Performance Indicators (KPIs)

The following KPIs will be used to measure the success of Nommy's Cleaning Service:

KPI Metric	Baseline	Target (Month 3)	Growth Target (Month 12)
Active Clients (Recurring)	15 clients	40 clients	
One-Off Bookings (Monthly)	10 bookings	30 bookings	
Client Retention Rate	80%	90%	
Online Reviews (Google/Facebook)	5 reviews (4.5+ stars)	25 reviews (4.8+ stars)	
Monthly Revenue	R12,000	R45,000	
Enquiries / Quote Requests	30/month	80/month	
Referral Rate	20%	40%	

3. Current Business Analysis

Nommy's Cleaning Service is a new startup with the following analysis conducted to inform business strategy and growth planning.

3.1 Strengths

- Founder has hands-on cleaning experience and deep understanding of client expectations
- Low startup costs with minimal overheads required
- Flexible service offerings (residential, commercial, ad-hoc)
- Eco-friendly cleaning products are a unique selling point in the local market
- Personalised, one-on-one customer service from the owner
- Affordable pricing compared to larger, established cleaning companies
- Strong local network in Durban for word-of-mouth marketing

3.2 Weaknesses and Areas for Improvement

- No established brand recognition or client base yet
- Limited marketing budget for large-scale advertising
- No website or online booking system currently in place
- Lack of formal business registration and insurance (to be addressed)
- Limited staff — initially a one-person operation
- No dedicated vehicle for transporting equipment
- Not yet listed on popular online directories or review platforms

3.3 Opportunities

- Growing demand for professional cleaning services in Durban's residential and commercial sectors
- Partnership opportunities with real estate agencies and property managers
- Expansion into corporate cleaning contracts with offices and retail spaces
- Potential to offer specialised services (carpet cleaning, upholstery, window cleaning, deep sanitisation)
- Use of social media and online advertising to reach a wider audience
- Subscription-based cleaning packages for recurring revenue
- Collaboration with Airbnb/guesthouse owners for turnover cleaning services
- Government and small business development grants for women-owned enterprises

3.4 Threats

- Competition from established cleaning companies in Durban
- Price competition from informal / unregistered cleaners
- Economic downturn affecting clients' ability to pay for cleaning services
- High staff turnover in the cleaning industry if the business expands
- Safety concerns when entering clients' private properties
- Rising costs of cleaning supplies and transportation
